"Let's Deal With It - Eliminating Discrimination: Join us for the change!" is Shakti Community Council's 2020 campaign. It's time to put ourselves in someone else's shoes. The campaign's official launch takes place in Parliament, but we want every New Zealander to have the opportunity to join us. Come and have a cup of tea, listen to our fantastic line-up of speakers and their vision for how we eliminate discrimination, and have a facilitated conversation around the table with Ara Taiohi's resource, "Mosaic: Social Cohesion Cards". We are choosing to be in civic spaces through out the country to start a movement for change. Will you join us?
